

GT4DD

NEW TO GEOCACHING?

Geocaching is an outdoor scavenger hunt using GPS-enabled devices to locate hidden treasures in plain sight. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache hidden at that location. Geocaching is fun for everyone: families, sightseers, outdoor adventurers, tech-lovers, and explorers.

The first thing to do is visit www.geocaching.com or download the official Geocaching app and register for a free account to search for active caches near you. Search for the Belmont County Bigfoot Geotour (GT4DD), and once you have decided which cache you want to find, use the GPS coordinates to navigate to the hidden treasure.

COMPLETED THE GEOTOUR?

Congratulations! Please fill in the information below.

One coin will be awarded per geocaching handle.

NAME: _____

CACHE HANDLE: _____

ADDRESS: _____

COUNTY

VISITBELMONTCOUNTY.COM

BELIEVE IN THE UNSEEN

Discover the mystery. Embrace the adventure and join us on an epic quest to find Bigfoot...
...themed geocache containers, of course!

At each location fill in your passport with the official GeoTour code word located inside the cache container.

Complete 20 cache logs to receive your Belmont County Bigfoot trackable geocoin and complete 23 cache logs to receive your virtual souvenir from geocaching.com.
One coin will be awarded per geocaching handle.

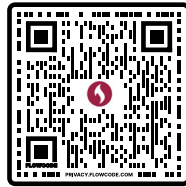

LOOKING FOR EVEN MORE ADVENTURE?

While you are out exploring, complete our new **Adventure Lab** to earn a Belmont County Bigfoot GeoTour T-shirt. The Adventure Lab highlights locations around Belmont County where you can learn local trivia, uncover hidden gems and discover landmarks. It also includes a bonus physical cache, which can only be obtained by completing the adventure. Once you complete all 10, scan the QR code in the physical cache to be awarded with your free T-shirt!

NEED A PLACE TO STAY?

We have partnered with the Candlewood Suites in St. Clairsville to offer geocachers a special discount for overnight stays after a long day of caching! Scan code to book.
